Presbyterian Pilgrimage

What is Pilgrimage?

The Pilgrimage is a short course in Christian living which is designed to provide all Christians with a significant foundation for individual and community spiritual growth. Grace and growth are combined in an energetic way. At the Pilgrimage the participants become increasingly aware that they are a part of a community abounding in God's grace. The three days are a triple encounter with Christ, with Christian brothers and sisters, and with a Christian community

History of Pilgrimage

Pilgrimage originated as the Roman Catholic Cursillo movement which began in Spain in 1949. The first weekend in the US was held in Waco in 1957 by Spanish military personnel training in Texas. In addition to the Roman Catholic and Presbyterian movements, there are expressions in the Methodist, Reformed, Episcopal, Lutheran, and other Christian churches. Today, more than 10 million Christians in 50 nations have attended a "Cursillo" weekend.

Format of the Weekend

The weekend is an experience in Christian sharing and living. During the 72 hours, fifteen talks will be presented. Five talks are given by pastors and ten by lay people. The weekend also includes chapel each morning, communion, small group discussions, sharing, music, singing, laughter and prayer. The 15 talks are discussed by the participants and will include a Christian perspective on the following subjects:

Ideals

Grace

Lay People in the Church

Importance of Study

A Day in the Life of a Christian

Apostolic Action

Obstacles to a life in Grace

Christian Actions in the Community

Each talk deals with living one's life in God's grace.

Who Goes to a Pilgrimage?

A Pilgrimage is not designed to convert anyone to Christianity. It is meant for those who are already faithful and committed to Christ and His church. Once again, the goal is to encourage Christians in their lives of faith and increase their awareness of grace and service to the world. During a Pilgrimage weekend, those who are present and have attended a previous weekend are called "the team." It is their responsibility to serve you in every way. Just in case you are wondering, they attend at their own expense in order to serve you.

When/Where is the Pilgrimage Held?

Weekends are held at various facilities throughout the Greensboro-Fayetteville-Charlotte areas of North Carolina. The sites are chosen to provide the easiest possible access to participants at a reasonable cost. There are Pilgrimages offered in Feb, Mar, April, May, Sept, Oct and Nov. You may see the current schedule at www.ncpp.net.

How Can I Attend Pilgrimage?

If you would like to attend a Pilgrimage, please contact someone who has previously attended. We suggest that you also speak to your pastor since a pastor must sign the application when you decide to attend. If you do not know anyone who has attended, we will be happy to provide you with additional information or answer any questions that you may have.

What Happens After the Weekend?

The weekend is only the beginning. What you learn and share during the weekend will hopefully be taken back and put into practice in your local congregation and community. You will be supported by many others who have attended before and those who attended with you. Small groups meet regularly (usually weekly) to affirm one another and to share the Christian life of grace. These activities inspire, challenge and encourage Christian action in homes, churches and communities.

How Much Does a Weekend Cost?

Fees are kept to a minimum to cover the cost of 3 days lodging, 8 meals and supplies. We do not want the lack of funds to keep anyone from attending; so, partial or full scholarships are available. At this writing, the fee is \$160/person.

May I go with a Spouse or a Friend?

Yes, it is strongly recommended that spouses and friends attend a first Pilgrimage weekend together. Marriages and friendships can be strengthened and deepened by the experience.

In Summary. Not everyone who attends a Pilgrimage weekend will receive the same benefit; but all who attend will be blessed, and most will be strengthened in their desire to be a blessing in their churches and Christian communities.
