Guidelines for a Pilgrimage Sponsor

Sponsoring a guest to go to Pilgrimage has many responsibilities. You should choose guests very carefully. Talk to the Lord about your guest before you talk to your guest about Pilgrimage. These responsibilities will be mailed to you in the form of a checklist so that you will not forget what to do. The success of your guest's 4th Day depends on you.

1. When you are looking for guests for Pilgrimage, bear in mind the influence they will have on others, not only the good they will derive from Pilgrimage for themselves.
2. Pray for your guest often: before, during, and after the 72 hours of Pilgrimage.
3. Be sure the guest's application is complete and turned in at least four (4) weeks prior to Pilgrimage along with the sponsor's application and medical form.
4. It is your responsibility to get the signature of the guest's pastor. At that time, you can answer any questions the pastor may have about Pilgrimage.
5. Check with guests often to see if they still plan to attend. If there are any changes, let the Registrar or contact person know right away.
6. Write Palanca for your guest and for the team and guests in general.
7. If you are not serving on the team, sign up for the Prayer Banner through www.prayerbanner.org.
8. Obtain Palanca letters from family and close friends. Bring them to Send-off.
9. Bring your guests to Send-off and stay with them until they are called by name to join other guests. Meet with them at Closing.
10. Introduce your guests into a Reunion Group. Help them start one or see that they attend one.
11. Bring your guest to the first Ultreya after the Pilgrimage weekend.

The sponsor will mail the guest application, sponsor application, medical form, and deposit to the Registrar. All applications must be filled out completely. No place will be held on the weekend for a guest until both guest and sponsor applications are received. The Registrar will notify both the guest and the sponsor when the guest has been accepted for the weekend.

Remember, in sponsoring a guest, you have made their spiritual welfare your responsibility. You are your brother's keeper, so do everything in your power to make your guest's Pilgrimage a success in Christ. **The guests and Christ are counting on you!**
