FALL 2012 EDITION

A letter from our Rector...

Dear Friends,

Words cannot express the excitement, the gratitude, and the overwhelming joy each of you means to God, and for that matter this Rector also. When I received the phone call asking if I would serve as Rector, I was speechless. That is not a normal occurrence. Then after much prayer, and advice I said yes to this remarkable honor. My prayer, from that moment, was that God form this team into a group of people who have one solitary purpose. That purpose being humble service. After meeting with this wonderful group of people for the past few weeks I can say that it is an absolute fact.

God has placed each team member in a position to best serve Him and the guests of NCPP 116. God has placed his hand on so many things while putting this team together. There are countless examples of prayer group pairings, team choices, and more. During the team building process we have discovered many things about each other, including our favorite animal and even favorite comic book character. Mine, of course, is Spiderman. We have discovered a deep sense of community in our Prayer and Share groups. And we have consistently prayed for each other, the

guests, team members who had to withdraw from the team, the leadership council (local and state), and for our families who support us while we serve.

“Therefore, whoever takes the lowly position of this child is the greatest in the kingdom of heaven.”

Mathew 18:4

When you read statements about the team of NCPP# 116, understand that the team is not just the 70+ people that will be serving on the weekend. This team is made of all the previous pilgrimage teams on which I have served, all the prayer groups (reunion groups) with whom I have prayed, all the previous leaders who have built such a marvelous legacy, and all the people who work tirelessly to show grace to each pilgrim on every Pilgrimage, past and present. I believe our life in Christ is best when we are reminded of the awareness of God. My prayer now is that this awareness is evident to the guests and team on this Pilgrimage weekend.

May God hold each of you in the palm of His Hand.

With most humble thanks,

Tim Page

Note from our Moderator:

Mark 7 records Jesus' encounter with a deaf man who couldn't speak clearly. A group of advocates took the man to Jesus and sought his healing. Jesus put his fingers in the man's ears, spat, touched the man's tongue, looked up to heaven, sighed, and said, "Be opened". The man was made well immediately. Through Pilgrimage, we are called to be opened and made well. Through Pilgrimage we are called to touch the lives of brothers and sisters who also need special touches from the master. May we always look to heaven and act to do anything we can to bring such blessings to others. May we be faithful in using and supporting Pilgrimage as a means of grace, both to us and through us.

For whom could you be an advocate? Who would you bring to the special place of meeting with Jesus at camp or reunion?

Please consider all available means of grace in support of the November 1 weekend.

Please do all you can to support reunion groups.

Blessings,
Rob Price
