

With November 8th only a few short weeks away, our prayers for Mixed #2 are becoming more and more specific, a bus for the Send-off, palanca, serenaders, healthy family members... Yet, prayers are also full of PRAISE and THANKSGIVING for the many ways that God has touched each of us as we have prepared for this special weekend. Those of us on the Team and the Leadership Council thank each of you for the way that you have been an instrument of the love and grace of God by sharing your time and energy towards this second Presbyterian Cursillo Retreat. May you be blessed in the giving.

In Christ.
