September 2005

Fellow Pilgrims,

Weekend #65 is here! We have been eagerly anticipating this fabulous work of His. The team is very excited and busily preparing to serve the guests with enthusiasm and love. In our team meetings we have truly built a Christian community and reflected on the plans the Lord has for us and for the guests. I have been truly blessed to have worked with such devoted servants of our Lord.

Please continue to provide us with your unending support. Your prayers have not gone unnoticed and I urge you to keep the team and the guests in your every prayer. At a recent team meeting a fellow pilgrim reflected that the surmounting growth and success of this movement could be related to the growth of our Fourth Day community and the huge amount of prayer that is offered up throughout the year. Who could argue with that? We know the Lord answers our prayers in the blessings He offers us on each Pilgrimage weekend. Please continue to pray for weekend #65.

We also need your participation in the events of the Fourth Day, including the Send Off, the Serenade, the Closing, and the Ultreya. Even if you are not sponsoring a guest, I encourage you to make these events a special part of your Fourth Day experience. This is especially important since we are beginning a new conference and trying to support growth in the West, as well as, having many team members who are also sponsoring guests. Your presence will help the guests make their Pilgrimage weekend complete.

Finally, we need your palanca. There is no substitute for the love you can show with your personal letters, acts of love, and expressions of prayer. Thank you all for your love and support!

Friends, God loves you and so do I,
Mary Jane Morgan
